

The Innovative Self-inflating Flood Defence System...

FloodSax®
Flood Damage Limitation

20 FloodSax® can be stored in a box and can be deployed in minutes to protect your business or home from flood water.

What are FloodSax®

- Lightweight, just 0.2kg.
- FloodSax® absorb water to 90% capacity in just 3 minutes.
- Can be expanded in water in a bath, a sink, a bucket, a hosepipe or even the floodwater.
- FloodSax® expand evenly, unlike other similar products in the market.
- Easy to store and are vacuumed-packed to save even more room.
- FloodSax® last for 5 years in storage.
- Multiple usage, for burst pipes or accidental floods.
- Can be used by people who would not be able to lift sandbags.
- Biodegradable.
- Makes an ideal gift for people in flood-risk areas.

A clean and easy to store alternative to sandbags.
